

**“I was ready  
to get back to  
work!”**

Larry Pandell, Adams, MA

“I’m self employed, so when my knee hurts I still have to work. I injured it playing basketball years ago, and it was getting bad. After treatments to minimize the pain, it was time to think about surgery. Dr. Jonathan Cluett did a partial knee replacement and after rehab at North Adams Regional Hospital, I was ready to get back to work. The hospital’s Joint Venture class helped prepare me for the surgery and control pain afterwards. Now I’m back on my ladder and feeling good.

“I even did the Greylock Ramble!”
